## Clinic and Community in Conversation: Closing the gap for children and adolescents in the HIV response

1-3 November 2021

The PATA 2021 Summit, titled “Clinic and Community in Conversation: closing the gap for children and adolescents in the HIV response,” happening from 1-3 November 2021, is a collaborative meeting that will bring together a diverse community united in a renewed call to action to close the gaps in paediatric and adolescent HIV treatment and service delivery in sub-Saharan Africa.

This exciting and ‘FREE to attend’ hybrid event will take place simultaneously at least 20 in-country satellite spokes and will be broadcast globally through PATA’s centralised Linking and Learning Hub.
